Your Dog Mushing experience includes an approximate 1 mile experiential ride. The ride will be on sleds if there is snow, and on wheels if there is none. Since the dogs love to run, either ride will be exhilarating! Learn about how the dogs are trained plus hear many entertaining stories. In a

Lazy Bear Lodge

Churchill

At Lazy Bear Lodge, the thrill of the arctic doesn't end when you return to the Lodge. That's because the Lodge itself is an authentic northern wonder! This is no regular log cabin. The timber was reclaimed from a fire in the boreal forest. Using hand tools, the logs fit together so well as to appear as if they were melted into each other. The windows were recycled from an 1800's Hudson Bay Trading Post, and if you look closely, you'll see the characteristic wave of the old glass. Come inside and feel the warmth of the massive stone fireplace, crafted from a 20,000 pound block of stone and mortar
