Day **2**

Kuala Lumpur Langkawi

Throughout breakfast in your cabin, soak up the vistas as the train courses past the rice paddies and timeless rural villages of western Malaysia.

Following lunch, there is a choice of enticing excursions. Alight at Arau Station for a car transfer to the jetty followed by a speed boat cruise to one of Langkawi's most beautiful beaches. Enjoy easy relaxation in idyllic seclusion, reconnecting with nature and sampling wellness activities. Unwind with yoga, a sound bath and a massage, take a dip in the ocean or the nearby swimming pool, and enjoy tropical fruit, skewered delicacies and healthy drinks. Your glimpse of paradise continues with a boat ride through the narrow channels of Kilim Geoforest Park, where mangrove forests meet coastal karst in an otherworldly natural landscape.

Alternatively, opt for an adventurous discovery of Perlis Geopark, recently recognised as Malaysia's 10th National Geopark. Embark on a cycle ride through breathtaking landscapes teeming with primates and birds, before entering an atmospheric former tin mine and unearthing its fascinating history.

Or choose the final option for an immersion in the rich art and culture of Perlis. Learn to make your own batik, visit the personal collection of an antique enthusiast and prepare your own afternoon tea in a traditional Malaysian coffee shop.

At the end of the day, return to the train, absorbing the spellbinding views. An evening of lively celebrations with your pianist awaits in the Piano Bar Car, preceded by a delicious dinner. Tonight, the train stables in Butterworth.

Day 3

West Coast Line Butterworth

Enjoy breakfast, before alighting for the crossing to Penang Island, Malaysia's cultural melting pot. Here, you have a choice of excursions curated by local experts, offering you an enriching experience deeply rooted in Penang's cultural heritage. Art lovers can explore George Town Old Quarter on the back seat of a Vespa with a guide, discovering its vibrant architecture and cultural influences before visiting some brilliant local artists in their studios. Food aficionados can plunge into the market to be awed by the range of spices, then journey up Penang Hill for breathtaking views and a cooking lesson in the magnificent, Art Deco-influenced Eythrope Bungalow. Or, for those who prefer to explore independently, you will be presented with a trishaw, a driver and a map, so that you can wind through George Town's enchanting streets and visit stores, coffee shops and attractions at whim.

Rejoin the train at Butterworth for lunch and a leisurely afternoon on board. Now could be the time to indulge in an Asian-inspired ritual in the opulent Dior Spa. Choose from rejuvenating massages and facials surrounded by handcrafted tropical woods and Dior's iconic Toile de Jouy motif. Later, continue relaxing on the train or take the opportunity to stroll through the Malaysian city of Ipoh, gateway to the Cameron Highlands, where old-world charm meets contemporary street art. The former tin capital boasts a wealth of splendid architecture due to its iron ore mining industry. Back on board, a final celebratory evening beckons with irresistible cuisine, entertainment and company. Shortly after dinner, you may glimpse Kuala Lumpur as the train passes through.
