Day 5 Salzburg

Like a picture from the pages of a fairy-tale, Salzburg perfectly captures the charming cosiness of the festive season. The city sits snuggly in the northern foothills of the Alps, set against a backdrop of snow-capped peaks, cut in half by the curves of the Salzach River. The Christmas markets, Advent concerts and local traditions continue to charm visitors in the magical city of Mozart.

This morning, explore the heart of the city, starting at Mirabell Palace. Listed as a UNESCO World Heritage Site, the baroque 17th century palace is easily one of the most stunning landmarks in the city and made famous in more modern times as a location used in The Sound of Music.

Later, embark on a visit to the illustrious Fortress Hohensalzburg, one of Austria's most iconic landmarks and a proud symbol of Salzburg's rich medieval heritage. Perched majestically atop the Festungsberg hill, this formidable fortress has stood watch over the city for more than 900 years — a lasting testament to Salzburg's power and prestige. During the guided tour, uncover its fascinating history, from its origins as an archbishop's residence to its later transformation into a

mighty military stronghold.

Afterwards, enjoy free time at the Salzburger Christkindlmarkt, one of the most beautiful and oldest Christmas markets in the world, which is held on Domplatz and Residenzplatz. Its unique location in the middle of the UNESCO honoured Old Town of Salzburg, the traditional stalls and its long history make the Salzburg Christmas market something very special.

Enjoy lunch in a local restaurant before continuing with a guided visit to the Residenzgalerie Salzburg, where seasonal paintings and the opulent State Rooms offer a refined glimpse into Salzburg's artistic and courtly legacy. Ascend to the Domorgel Empore (Cathedral Organ Gallery) for a privileged perspective within the cathedral, concluding with an exclusive Turmblasen performance — a traditional Advent brass ensemble played from the cathedral towers, reserved privately for this group.
